EXPERIENCE

Infonal IT - Intern

Aksoy Çözüm - Intern

SKILLS

- Python
- C++
- Java
- Sql
- React
- HTML/CSS
- Time Management
- Algorithm

LANGUAGES

- English B2

CERTIFICATES

- Arduino Education
- GitHub Education
- IEEE EMBS TALKS Participation

👤 ABOUT ME

Curiosity and learning new things are two crucial points for me. I like to research to improve myself. I can work in a team by harmonizing with people because my human relations are quite good. I am ready to offer the best service I can. I have experience working in teams, and I have applied for the Teknofest competition and TÜBİTAK 2209 project.
